

SUPER ZINC STICK SPF30

Natural Mineral Sunscreen for sensitive areas

Product description:

More than a sunscreen, this antioxidant-rich Super Zinc Stick moisturizes, protects and repairs sensitive skin areas, promotes cell regeneration, prevents photoaging and melasma, targets sunspots and protects against pollution, IR, blue light, UVA and UVB rays. Safe for the whole family: kids & adults.

Why Super? Because it has many powers and can be used for multiple purposes during your holidays or your daily life.

Sol de Ibiza Super Zinc Stick protects the sensitive areas of your skin from wind, pollution, bacteria, and, of course, the sun with its broad-spectrum UVA protection, blocking 97% of UVB rays. It's ideal for scars, moles, melasma, tattoos, and other sensitive areas of your skin.

Plus, it has a **very smooth texture** and easy application, both during the warmer months and during winter for snow sports.

And it does all this while leaving the skin soft, hydrated and protected!

Active ingredients : non nano zinc oxide, organic calendula flower extract, organic sunflower seed oil, organic almond oil, organic aloe vera, organic malva silvestre.

**SOL DE
IBIZA**

EAN Code: 764451365346

CPNP Code: 4735450

Product Packaging: Paper/Cardboard 45g

Direction of use: Organic certified sunscreen. Apply before sun exposure. Re-application is required after 40 min of swimming.
