redefining natural skincare

Balmonds Intensive Hand Cream: a omega-rich emollient for dry hands

with sea buckthorn, chamomile + calendula

The Balmonds Intensive Hand Cream USP

Made with fairly traded shea butter, organic hemp and olive oils, and super-nutritious sea buckthorn oil, this award-winning hand cream is designed to be applied throughout the day, and is especially useful for those who have to wash their hands often, such as healthcare workers, teachers, parents, builders or gardeners.

Free from synthetic fragrances and containing calming Roman chamomile, the cream is also suitable for those who may be prone to eczema, psoriasis, hand dermatitis, or pompholyx. It can be applied overnight under thin cotton gloves, or used whenever needed throughout the day.

Balmonds Intensive Hand Cream is 99% natural, cruelty-free and Vegan Society certified
