SERVING SUGGESTION

Kabuto Noodles
are prepared with skill,
dedication and discipline to
bring you delicious authentic
Asian flavours using only
quality ingredients.

**FILL
TO
THIS
LINE**

"Have A Mouth As Sharp As A Dagger, But A Heart As Soft As A Noodle."

STEP 1) Remove lid and fill to fill line
with boiling water, replace lid loosely
and wait 3-4 minutes (opportunity to
meditate or practise your karate)

STEP 2) Stir well, leave for 1 minute,
then enjoy noodles and soup straight
from the pot or poured into a bowl (if no
bowl available, try upside down helmet)

**Remember to stir well,
for true goodness
lies beneath.**

Beware, for your noodles will be hot.
Make sure you eat them before they get
cold and do not reheat. Failure to do this
could have displeasing ramen-fications.
