sea salt

## ROAST HERB SALT

net 140g

Asilia Salt is a sustainable, family-owned business with a long history in sea salt farming in Tanzania. Our salt journey begins with the pristine, mineral-rich waters of the Indian Ocean and has been grown with some help from Mother Nature's sun and wind. These elements are the essence that gives our sea salt's distinctive flavour and texture.

Giving you a pinch  
of East Africa!

**Ingredients**

Sea salt (65%)  
Rosemary (15%)  
Thyme (10%), Garlic (5%)  
Black Pepper (5%)

All ingredients produced and  
manufactured in Tanzania.
