

Blockbuster® All Clear

BlockBuster® All Clear is a careful blend of powerful enzymes including, Nattokinase, digestive enzymes, alongside antioxidants and proanthocyanidins (Grape Seed Extract and Pine Bark Extract 95%). When combined, these enzymes help to reduce inflammation and unwanted proteins, whilst promoting internal healing and cleansing. Having gained a solid reputation, these enzymes have been repeatedly studied for their overall positive effects. A 'must include' for anybody wanting to support their heart health naturally.

With Cardiovascular Diseases (CVD) remaining the leading cause of death worldwide, taking care of our heart, the hardest working muscle in the body, is so important!

Lifestyle choices such as smoking, high alcohol intake, sedentary lifestyle and a high saturated fat intake can heavily influence our chances of CVD. When Blockbuster® is combined with a healthy lifestyle, it can have a beneficial effect on overall cardiovascular health.

Blockbuster® All Clear Supports:

1. **Arterial function**
2. **Blood pressure**
3. **Healthy blood flow and circulation**
4. **Kidney health**
5. **Female reproductive health**

Directions for Use:

Take 2-4 capsules per day or as directed by a healthcare professional. Take 30 minutes before a meal. If taking any other medication, pregnant or nursing, please consult your health practitioner before use.

Good Health Naturally
Because it Works!®

Contents:

120 Vegetable Capsules

Questions & Answers

Question: Can I take BlockBuster® All Clear with other products?

Answer: Blockbuster® All clear works well with other natural products to support overall health. However, if you are taking any prescribed medication, we would always advise to check for any possible interactions with a health care professional.

Question: When is the best time to take BlockBuster® All Clear?

Answer: For the best results, we advise taking BlockBuster 30 mins before a meal, this is to ensure that the enzymes work to the best of their ability. Taking enzymes such as on an empty stomach ensures that the enzyme works most efficiently at breaking down any inflammation and dead tissue within the body. If were to be taken with food, the enzyme would work on the digestive process instead.

Question: What is Nattokinase and how can it support my heart health?

Answer: Nattokinase is a potent fibrinolytic enzyme, extracted from 'natto', the popular Japanese food of fermented soybeans. Nattokinase has been used as a natural and traditional remedy for diseases of the heart for hundreds of years, and to this day, we still recognise its cardiovascular related benefits. In close resemblance to plasmin, this enzyme is often praised for its fibrin-degrading activity. It is suggested that Nattokinase can successfully break up and dissolve unhealthy coagulation of blood which ultimately leads to smoother blood flow and a reduced likelihood of conditions caused by blood clots such as strokes and heart attacks. New research surrounding Nattokinase has concluded that it also reduces blood viscosity, encourages healthy circulation and may also support healthy blood pressure levels.

SUPPLEMENT FACTS

SERVING SIZE: 2 CAPSULES SERVINGS PER CONTAINER: 60

INGREDIENTS	AMOUNT PER SERVING	DAILY VALUE
Nattokinase	1,600 FU	*
Protease	20,000 HUT	*
Lipase	1,500 FIP	*
Amylase	4,000 DU	*
Cellulase	600 CU	*
Lactase	1,000 ALU	*
Acerola extract	50mg	*
Amla extract	50mg	*
Olive Leaf Citrus Blend	230mg	*
Fulvic Acid Content (from 100mg Fulvic Mineral Complex)	25mg	*
Bacillus Coagulans	376,000,000 CFU	*
Protease S	650 APU	*
Grapeseed extract	100mg	*
Pine Bark Extract 95%	10mg	*
Policosanol	20mg	*

*Daily Value not established

Other Ingredients: Microcrystalline cellulose, hypromellose, water, gellan gum (delayed release capsule).
