

NERVES, MUSCLES, MICROCIRCULATION, AND REDUCTION OF TIREDNESS

A unique magnesium based gummy combined with maritime pine bark. With magnesium citrate. Magnesium contributes to a reduction of tiredness and fatigue, as well as to the normal function of the nervous system. Magnesium also contributes to a normal muscle function and contributes to a normal energy-yielding metabolism. Maritime pine bark extract improves microcirculation by increasing capillary permeability, protects blood vessel walls and promotes good blood circulation.

RECOMMENDED DAILY DOSE
Take 2 gummies daily. Food supplements are intended to supplement the diet and should not be a substitute for a varied diet or healthy lifestyle. Do not exceed the stated dose. Seek professional advice before using if you are pregnant or breastfeeding. **Warnings:** Not suitable for children under 12 years of age. Do not use it if the blister packaging (inner foil) is broken or tampered with. Keep out of reach of children.
