

Organic Matcha Latte Blend

Deliciously rich and packed with superfood goodness, our matcha latte is made from a blend of organic superfoods, and offers an energising alternative to a morning coffee or provides a 'pick me up' when you need it most. A gentle boost to support mental focus and energy without caffeine crash. The perfect way to elevate your daily wellness routine.

Vitamin C contributes to normal psychological function and energy yielding metabolism

SUGGESTED USE:

Simply add 10g serving of matcha latte to a cup and mix with a splash of boiling water. Add 240ml of hot or cold plant-based milk of your choice. Sweeten to taste. A little sediments is normal with Natural Ingredients!

Perfect Hot or Cold

Best Before:

Batch:
