

FORMULA OVERVIEW

Introducing a simple way to experience the natural potency of nigella sativa. Each daily portion supplies 1440 mg of organic black seed oil across two vegan capsules, standardised to 2% thymoquinone. Cold-pressed and unrefined, this virgin oil is retaining its naturally rich unsaturated fatty acids and deep, earthy aroma without any solvents or fillers. Using only the oil and a plant based hypromellose shell, we honour a single ingredient clarity that lets the botanical speak for itself. Soft liquid capsules offer taste-free convenience and a precise, measured dose that's easy to swallow and incorporate into mindful routines. A resealable, recyclable pouch holds 60 servings, keeping the oil fresh and travel ready while minimising waste. Replacing saturated fats with unsaturated ones helps maintain normal cholesterol, making this supplement a simple, balanced addition to a plant centred diet. Made in the EU with non GMO ingredients and produced under GMP standards, it reflects Alpha01's intentional approach to modern wellbeing.

Organic Black Seed Oil Capsules 1440mg - 120 Vegan Softgels - High Strength 3X% Thymoquinone - Ethiopian Nigella Sativa - 2 Months Supply - Cold Pressed Virgin Oil - by Alpha01

PRODUCT DESCRIPTION

Used as a spice in many Middle Eastern cuisines, the use of Nigella sativa dates back to the ancient Egyptians - it was even found inside the Tomb of Tutankhamun! This highly concentrated vegan product contains 1,440mg of Black Seed Oil per serving, providing 28mg of naturally-occurring thymoquinone. We have used a Virgin Black Seed Oil that has been cold-pressed to retain its natural purity and protect the full spectrum of phytochemicals.

INGREDIENTS

Organic Black Seed Oil (2% Thymoquinone), Capsule Shell (Hypromellose).

SUGGESTED USE

Take 2 capsules daily with water.
