BANGS ORGANIC GINGER SHOT

At first taste, you'll notice the fiery heat of the ginger, quickly followed by the sweetness of the pomegranate. Together, they form a perfect harmony between the spicy and the sweet – just the way we know you like it! The sweetness comes from naturally occurring sugars from the fruit.

INGREDIENTS:

*Apple juice from concentrate (EU) (37%), *Peruvian ginger juice (30%), *pomegranate juice from concentrate (16%), *pineapple juice from concentrate, *blueberry juice from concentrate, *lemon juice * = organic

It's quite simple, really. No hocus pocus, trends or tricks:
If good goes in, good comes out. That's the belief behind Bangs. It all starts with a good idea, that requires the best ingredients, that demands the utmost attention. Add a dash of patience and a nip of persistence.
Now we have a product, we are truly proud of.
