Descriptions

- Short description (concise, keyword-optimised): Smoked plant-based sticks made from wheat
- Long description (SEO-friendly, consumer-facing):

Meet our Salami Sticks — high in protein with 27g per bag, incredibly indulgent, 2x less fat, and 100% pig-free. All the pleasure of a classic dry-cured salami, without the pig!

Made with wheat and pea protein, they're vegan to the core, right down to their fully edible casing. Crafted with fruit concentrates, spices, and natural beechwood smoke, they're free from preservatives, artificial colours, and flavours.

Perfect as a high-protein snack on the go, a post-workout bite, or to share around drinks, they bring everyone around the same table, vegans and meat lovers alike!

Enjoy them chilled, wherever your day takes you.

And if you like things a little hotter, our spicy vegan sticks turn up the heat 🔥

High in protein, full of flavour, and better for the planet. From plants, with love.
