

YES Cleanse Ingredients & Warnings

YES® CLEANSE is designed to wash away bacteria while protecting your intimate health. Formulated with organic ingredients designed to minimise the risk of allergies or other side effects, matched to your body's pH.

- formulated specifically for external vulval and labial intimate tissue
- washes away harmful, odour-causing bacteria without irritation or drying vulval tissue
- pH matched for optimum intimate well-being, use as part of your daily intimate health routine

Instructions: Apply YES® CLEANSE foam wash to damp skin with hand or sponge and then gently rinse. For use in the external vaginal area. Suitable for daily intimate hygiene.

Ingredients: Aqua, Lauryl betaine, Decyl glucoside, Calendula officinalis extract*, Aloe barbadensis leaf juice powder (Aloe vera)*, Citric acid, Potassium sorbate, Sodium benzoate.

*Certified 85% organic by the Soil Association
