Biona quality - we never use palm fat or emulsifiers, so the coconut oil may separate. This does not affect the quality, simply place the jar in hot water, then stir to restore the creamy consistency.

ORGANIC
Coconut Bliss

COCONUT BUTTER 250ge

Our Original Coconut Bliss is made from high quality organic coconut flesh, slowly dried to retain its tropical taste and gently blended into a creamy coconut butter. Perfect as a spread on bread, stirred into smoothies or added to sauces and curries to give a rich coconut flavour.
