Yeast	< 100,000 cfu/g
Moulds	< 10,000 cfu/g
<i>E. coli</i>	< 100 cfu/g
<i>Bacillus cereus</i>	≤10,000 cfu/g
Staphylococci, coag. positive	≤10,000 cfu/g
Salmonella	Negative /25g

NUTRITIONAL INFORMATION		
PARAMETER	VALUE (100g)	VALUE (5g)
Energy	703 kJ /170 kcal	35 kJ/9 kcal
Fat <i>Of which saturates</i>	0.6 g 0.0 g	0g
Carbohydrates <i>Of which sugar</i>	7.6 g 6.1 g	0g
Dietary Fibre	8.6 g	0.4g
Protein	9.2 g	0g
Salt	0.22 g	0g

DECLARATIONS:
On Pesticides
This product complies with regulations 396/2005 on maximum residue levels of pesticides and conform to European Union and UK regulations.
On Allergens
We hereby certify that this product does not contain any substances causing allergies or intolerances as ingredients or possibility of cross contamination. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Regulation (EU) No 1169/2011.
Please note that this statement is based on the information provided by the manufacturer of the product.
On Novel
This product contains organic mushroom powders which may be classified as a Novel Food under certain regulatory frameworks.
Impact Foods does not determine or guarantee the regulatory classification of supplied ingredients as novel foods or other

regulated substances.

If the ingredient above may fall under the definition of Novel food as defined under EU Regulation (EU) 2015/2283 and UK Food Standards Agency (FSA) guidelines, it's the client's responsibility to assess whether the product requires approval under the UK Novel Foods Regulation and to obtain any necessary approvals or authorizations from the relevant regulatory authorities.

Individual responses to novel ingredients may vary, and it is recommended that consumers consult a healthcare professional before consumption.

Impact Foods disclaims any liability for the misuse of the product or any adverse reactions that may occur. By purchasing and using this product, you acknowledge and understand the information provided above.

On Genetically Modified Organisms [GMO]

All products supplied by Impact Foods International are GMO FREE [does not contain any Genetically Modified Organisms GMO] and conforms with EU Regulation EC No. 1829/2003 and EC No.1830/2003.

On Irradiation

We certify that our Mushroom Coffee is Non-Irradiated and does not contain any hazardous ingredients.

On Undesirable Substances

The undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 2023/915 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

Notice:

This specification contains reference values. Deviations of the appearance, composition, colour, flavour and odour are due to the natural origin of the ingredients.

The above specification is based on the information of our suppliers. We recommend proofing the suitability of our product by your own tests.
