Reference intake. All specified values are averages. Do not exceed recommended daily intake. Keep out of reach of young children. Food supplements should not be used as a substitute for a varied, balanced diet and healthy lifestyle.

At Nuzest we believe in a world thriving on plant-based nutrition. We know that today's lifestyle and environment can mean our bodies need a little extra TLC. Our products are designed to help fill the gaps so you can enjoy optimal health and vitality.

Protein Greens + Berries has a base of premium European Golden Pea Protein. It's environmentally friendly, a natural source of iron and is easy to digest. We've added to that a nutritious blend of greens, berries and prebiotic fibre as a natural source of vitamins, minerals and phytonutrients.

HOW TO ENJOY

Take one or more servings per day depending on diet and activity level.

Add 30g (approx. 4 heaped tsp) to a shaker containing 350mL of water or your favourite milk and shake. Or blend into a delicious smoothie.
