

What's the deal with GOODIE? It's a finely crafted fermented drink, developed in collaboration with scientists. Consider it your trusty sidekick for seizing every good day that comes your way.

Directions for use: Enjoying this beverage is effortless - simply consume twice daily, during meals, taking 15 to 30 ml of the GOODIE drink per day. You can either mix it into your meal, a chilled drink, or dilute it with water. It's suitable for expecting and breastfeeding mothers, as well as children aged 4 and above. This product contains natural sugars.

Liquid content: 500ml

Storage: It is recommended to store the unopened drink in the refrigerator or at no more than 20°C. After opening, keep the drink in the refrigerator and consume within a month. Natural sediment may occur, shake well before use.

Best before: Refer to the packaging for the expiration date.
