

**SUPPORTS BONES AND THE IMMUNE
SYSTEM - MAGNESIUM, CALCIUM AND
VITAMIN D - FOR CHILDREN FROM
3 YEARS OLD**

Calcium and vitamin D are needed for normal bone growth and development in children, and Vitamin D contributes to the normal function of the immune system.

RECOMMENDED DAILY DOSE

Take 2 chewable tablets daily. Food supplements complement the diet and should not replace a varied diet and healthy lifestyle. Do not exceed the stated dose. **Caution:** Seek professional advice before using if under medical supervision or taking medication. Keep out of reach of small children. **Warning:** Not suitable for children under 3 years. Never be taken by children under 1 year of age. Excessive consumption may produce laxative effects.

Store in a dry place, out of direct sunlight.
For best before end date, see base of pack.
