INNER BIOME BLEND

An organic fermented drink to support your microbiome with 8 active cultures of Bifido and Lactic acid bacteria, organic acids, and extracts from 19 herbs. With Vitamin C* (from Acerola berry) and hints of Ginger.

It's free from gluten, dairy, and added preservatives; and the fermentation process converts the natural sugar content into organic acids. The unique taste from the fermentation process can vary from time to time. *(Vitamin C contributes to the normal function of the immune system)
