### Description

Clean Deodorant Balm Orange + Bergamot Mini is ideal for first-time buyers, gifting, travel and point of sale add-ons. Sweet orange and refined bergamot create a fresh, vibrant citrus scent and make it one of The Natural Deodorant Co.'s bestselling options.

Formulated with sodium bicarbonate and magnesium to neutralise odour naturally, it provides reliable all-day freshness without blocking pores and works from first use with no detox period required.

The creamy balm texture is applied by hand, allowing it to rub in fully for better coverage and helping to prevent white marks on clothing.

Key selling points include all-day odour protection, aluminium salt free formulation, 100% natural fragrance from essential oils, vegan and cruelty-free credentials, plastic-free packaging and UK manufacturing.

The 10g metal tin typically lasts around 10 days with daily use, making it ideal for travel, gym bags and trial purchases.

### Directions

Ensure hands are clean and dry. Warm a small amount between fingertips and apply to each underarm, ensuring to rub in fully.
