

L524
Creatine Caps - UK
82x230mm

Pure, proven and effortlessly simple. Each daily serving delivers 4g of Creavitalis® Creatine Monohydrate. Made in Germany, it's >99.9% pure and renowned for its exceptional quality, safety and effectiveness. With over 95% absorption, it provides reliable, high-performance support. Creatine Monohydrate is the most extensively researched and trusted form of creatine, known for its superior stability and bioavailability. Scientifically proven to support physical performance during repeated bursts of high-intensity exercise, it can also enhance the effect of resistance training on muscle strength in adults over 55. Encapsulated for convenience, with no fillers, binders or additives - just clean, consistent support for strength, energy and everyday performance.

Best before end: See base.

Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required.

Food supplements should not be used as a substitute for a varied diet.
Keep out of reach of children. Do not exceed the recommended daily dose

Suitable for vegetarians and vegans. Naturally free from gluten and wheat.
NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS OR FILLERS
