

## Organic Turmeric Powder /170g/400ml / label size 82x230mm

Formally known as Curcuma longa, turmeric is a perennial plant from the ginger family that originates in India. Traditionally called 'Indian saffron', it is widely used in herbal remedies for its nutrient dense properties. Our organic turmeric is a premium, sustainably harvested powder that has been carefully extracted to ensure the highest grade available. It contains the naturally occurring ingredient curcumin as well as the full spectrum of powerful turmeric actives. Our Organic Turmeric Powder has a warm gingery/ peppery taste.
