Food supplement • 30 tablets

MANUFACTURED IN SWEDEN

ONE TABLET PER DAY

THE PATH OF VITALITY | SINCE 1990

New Nordic is a Scandinavian-based company established in Roskilde, Denmark. Over the years, we have built up a special know-how in vitality-giving herbs. Our expertise and passion have resulted in developing innovative and effective health and beauty products that work in harmony with your body. We do not compromise on the quality and safety of our products. This makes the characteristic "silver tree logo" a seal of quality trusted by people worldwide.

MULTI MUSHROOM

Multi Mushroom™ combines rare golden oyster, lion's mane, reishi and chaga mushrooms. Providing the highest amount of antioxidants found in any mushroom blend due to its content of Golden Oyster mushroom, this combination is like no other on the market. Multi Mushroom is rich in an amino acid called ergothioneine, a potent antioxidant. This extraordinary blend has been precisely formulated for health-boosting effects with mushrooms, which have long been recognised as an important part of any diet.

RECOMMENDED DAILY DOSE

Take 1 tablet in the morning, with a glass of water. Food supplements are intended to supplement the diet and should not be a substitute for a varied diet or healthy lifestyle. Do not exceed the stated dose. **Caution:** Seek professional advice before using if you are pregnant or breast-feeding. **Warnings:** Not suitable for children under 12 years of age. Do not use it if the blister packaging (inner foil) is broken or tampered with. Keep out of reach of children.
