PREPARATION INSTRUCTIONS
Perfect for smoothie bowls and smoothies. For smoothie bowls: add 150g PACK'D Açai with a splash of plant milk (as required) and 75g PACK'D Ripe & Sliced Banana. Once blended scoop into a bowl and top with granola, fruit and seeds.

DECLARATION OF CONFORMITY
PACK'D Ltd. confirms that this product has been sourced, handled, stored and supplied in accordance with all applicable food safety and food legislation in the country of sale. The product complies with all applicable legal requirements relating to food safety, composition, labelling, traceability and food information, and has been produced under a documented Food Safety Management System based on HACCP principles. All ingredients are obtained from approved suppliers who are subject to a documented approval and monitoring programme. Supporting technical documentation is maintained to demonstrate compliance with applicable legal, food safety and quality requirements. This product is supplied frozen and should be stored and transported at or below -18°C to maintain its safety and quality. When handled, stored and prepared in accordance with the recommended instructions, the product is suitable for its intended use. This declaration is made in good faith based on information available to PACK'D Ltd. and supporting documentation provided through its supplier assurance programme. The declaration remains valid unless there is a change to the product, its composition, the manufacturing process or applicable legislation that may affect its compliance.
