INGREDIENTS: Spinach leaf powder (*Spinacia oleracea* L.), Spinach extract providing Folic Acid (as Folate). Capsule (Vegetable cellulose).

PRODUCT INFORMATION: 1 capsule provides on average (NRV): Folic Acid (as Folate): 400µg (200%). NRV = Nutrient Reference Values.

FREE FROM: Wheat; Soya; Gluten; Dairy; GM ingredients.

Made to the highest possible standards with simple chemical-free processes.

1 Spinach is grown without synthetic fertilisers or pesticides while prioritising healthy soil.

2 Using only water & plant extracts the spinach nutrients are broken down into separate concentrated parts.

3 The spinach is cleaned and then freeze-dried to lock in the nutrients.

4 Evaporation is used to concentrate the nutrients and then they are dried at a low temperature.

DIRECTIONS: Take one capsule daily as a food supplement with or without food. Do not exceed the recommended daily dose. This product should not be used as a substitute for a varied diet and healthy lifestyle. Keep out of the sight and reach of children. Store in a cool dry place, out of direct sunlight. Consult your doctor before use if you have a medical condition, are pregnant or breastfeeding. Do not use if the seal is broken. Best before: See base.
