It all starts with the carrot

Biotta Carrot juice is the very first juice in the history of Biotta production. Since 1957, we've been producing this freshly pressed juice from freshly harvested organic carrots. Now as always, the juice is made with no artificial additives, and is 100% natural.

Biotta® Carrot is ideal for mixing with other juices such as orange juice.

Organic carrot juice, lacto-fermented.

Ingredients: Carrot juice lacto-fermented*. Pasteurised. *certified organic.

Shake well before use as product may contain natural sediments. Once opened, keep refrigerated and consume within 8 days.
