Nature's Truth Kids Multivitamin - 60 Vegan Gummies - Strawberry Flavour

OVERVIEW:

These vegan, strawberry-flavoured multivitamin gummies are formulated to provide a broad spectrum of essential vitamins and minerals to support children's growth and development. Packed with 14 key nutrients, each gummy helps to bridge nutritional gaps and ensure kids get the nutrients they need for healthy, active lifestyles.

KEY INGREDIENTS & BENEFITS:

Vitamin A: Supports vision, immune function, and skin health, making it essential for kids' overall development.

B Vitamins (B5, B6, B12): These essential B vitamins support energy metabolism, helping convert food into energy and supporting brain function and nervous system health.

Vitamin C: Known for its immune-supporting properties, vitamin C plays a vital role in protecting and boosting children's natural defenses.

Vitamin D2: Important for bone and teeth health, vitamin D2 supports calcium absorption, ensuring strong bones as children grow.

Vitamin E: An antioxidant that helps protect cells from oxidative stress, supporting skin health and overall well-being.

Zinc: Known to support immune function, wound healing, and cell growth, zinc is an important mineral for active, growing kids.

Biotin & Iodine: Essential for healthy hair, skin, nails, and cognitive development, these nutrients contribute to overall health and vitality.
