

Baby Balm

Weight:

100 g

Description:

A gentle, loving blend of organic grass-fed tallow and jojoba oil infused with the goodness of dried organic chamomile flowers and calendula petals. This baby balm is our commitment to providing the purest and most soothing skincare for your little one and yourself.

Ingredients:

Adeps Bovis (Tallow), Simmondsia Chinensis (Jojoba) Seed Oil Infused With Chamomilla Recutita Flower Extract (Camomile Flower) And Calendula Officinalis Flower Extract (Calendula Flower).

Chamomile:

Chamomile is known for its natural sleep-inducing properties, bringing tranquillity to your baby's bedtime routine. The gentle aroma promotes relaxation and peaceful sleep.

Calendula:

Celebrated for its anti-inflammatory properties, calendula is your baby's ally against nappy rash and minor skin irritations. This botanical soothes and protects delicate skin.

Your baby's safety:

Our Fierce Nature Baby Balm is designed to be the most natural skin food for your baby.

Free from harsh chemicals, this balm offers nature's purity to nurture and protect sensitive skin. Use this balm liberally to nurture your baby's sensitive skin.

How to use:

Apply a light layer on the face, body or lips, for vitamin-rich nutrient absorption.

Storage:

Store in a cool dry place and avoid exposure to direct sunlight.

Disclaimer:

For external use only. Avoid contact with eyes. Discontinue if irritation or rash appears. May cause skin allergic reactions in children; please use caution. Use on children under 6 months of age under the advice of a physician.

All ingredients in our products are 100% natural.

All our products have a safety cosmetic report.

However, with any new products for your skin, please always check the ingredients for any allergies.

If you are unsure, always do a small patch test to ensure that you don't react to any of the ingredients.

If irritation does occur, then discontinue use.

Our balms are tallow-based, which are naturally derived from beef fat. A characteristic scent may be present, which is a normal attribute of high-quality, unrefined animal-based ingredients; however, this does not affect the quality of the product.

As this is part of the ingredient's natural profile, we do not offer refunds for scent-related reasons.
