SWEET REVOLUTION

✿ OUTRAGEOUSLY GOOD ✿

Matcha is a superhero amongst teas, as it is super-concentrated and packed full of goodness. Grown undercover for the last two weeks of cultivation to produce lots of chlorophyll, it is highly prized in Japan and has been used for hundreds of years by Buddhist monks before meditation. It is fast becoming the preferred alternative to coffee in the UK as people discover its unique flavour and remarkable qualities.

We've blended matcha green tea powder with coconut milk powder and raw coconut nectar, and a touch of vanilla, to create a delicious and nourishing drink. We hope you like it as much as we do - it truly is a 'hug in a mug'!

HOW TO MAKE:

- ✿ Add one heaped tablespoon of powder to a standard 250ml mug.
- ✿ Add a little cold water to the powder and mix to a paste, ensuring there are no lumps.
- ✿ Top up with hot water and mix well for a deliciously frothy, wholesome hot drink.

TOP TIP: For an extra creamy drink whizz in a blender for a few seconds.

Ingredients: Organic coconut milk powder (organic coconut milk, organic tapioca maltodextrin, stabiliser: organic gum acacia), organic raw crystallised coconut nectar, organic matcha green tea powder (3%), organic vanilla powder
