

# BELLINI CIPRIANI – BELLINI COCKTAIL

## Quality

The key to the success of this cocktail created by Giuseppe Cipriani is in the simple and genuine combination of two flavors: the fine and delicate taste of Mediterranean white peaches together with the lively and fragrant bubbles of Italian brut sparkling wine. Its elegant and captivating bouquet amazes for its freshness that enhances the fruity.

## Organoleptic characteristics

Color: a pleasant orange pink that recalls the delicate color of white peaches  
Bouquet: Its elegant bouquet impresses and captures for its freshness and its fruity notes  
Taste: A perfect mix of peach sweetness and fragrant bubbles

## Production process

The original recipe of bellini at Harry's Bar in Venice is the result of a perfect balance between brut sparkling wine and a Mediterranean white peach puree. Our Bellini cocktail in bottle offers the same harmony between dry and fruity flavors, between intensity and freshness.
