

Lysine Lip Balm

Good Health Naturally's Lysine Lip Balm is a unique formula of organic ingredients to support your daily lip care routine. It combines beneficial components, such as lysine, monolaurin and zinc oxide, with nourishing coconut, olive and jojoba oils and beeswax. It has a pleasant mango flavour.

You can use the Lysine Lip Balm regularly in the same way you would use your normal lip balm or for more targeted support.

Benefits of Lysine Lip Balm:

1. Supports daily lip care
2. Nourishes and hydrates the lips
3. Suitable for daily use
4. Certified organic ingredients
5. Suitable for vegetarians

Directions for Use:

 Apply to lips as often as needed. For external use only.

Good Health Naturally
