KURK

Nutritional Information
and Directions

VANILLA

One supplement. Many benefits.

Kurk is a potent anti-inflammatory compound & antioxidant that can help to:

Support mobility & flexibility

Boost energy levels

Bolster the immune system

Sharpen brain function

Relieve inflammatory pain

Reduce stress

Replenish skin

Support optimal sleep

You may notice some benefits straight away but will experience cumulative effects over time.

How to take

Shake, add 1ml of Kurk to a glass of water (or any drink). Stir. Sip. Can be taken with or without food. Take daily to unlock the true benefits of Kurk.

Ingredients

Filtered Water, MyCurc+™ (Filtered Water, Natural Flavouring: Cinnamon extract; Tea Saponin, **Soy** Lecithin, Curcumin from Turmeric), Natural Flavourings, **Soy** Lecithin, Vitamin B12.

For allergens see ingredients in bold.

Storing and using

Kurk has been rigorously tested for stability and integrity. To ensure yours remains good to the last drop, store at room temperature, out of direct sunlight. Reseal your bottle as soon as you have used it.

For Best Before End date see bottle.

Vanilla flavoured curcumin food supplement
