NUTRITION INFORMATION

Typically per 3 tablets: %NRV**

Vitamin D3	6µg	120
Calcium (as Citrate)	800mg	100

****NRV = Nutrient Reference Value**

Calcium is the most abundant mineral in the body and contributes to the maintenance of normal bones and teeth. It also contributes to normal nerve and muscle function.

This product supplies calcium in citrate form for maximum absorption, with three tablets providing a full 800mg of calcium which is the Nutrient Reference Value. Plus vitamin D3, since this nutrient is known to contribute to the maintenance of normal bones.
