NO ARTIFICIAL INGREDIENTS

RECYCLABLE

KABUTO NOODLES

FILL 70 THIS LINE

"A Whole Army May Be Robbed Of Its Spirit If It Is Robbed Of Its Noodles."

STEP 1) Remove lid and fill to fill line with boiling water, replace lid loosely and wait 3-4 minutes (opportunity to meditate or practise your karate)

STEP 2) Stir well, leave for 1 minute, then enjoy noodles and soup straight from the pot or poured into a bowl (if no bowl available, try upside down helmet)

Remember to stir well, for true goodness lies beneath.

Beware, for your noodles will be hot. Make sure you eat them before they get Make sure you ear them before they yet cold and do not reheat. Failure to do this could have displeasing ramen-fications.
