Strip Wash

Strip Wash

Strip for the planet - made in the UK

## laundry detergent eco strips

**ZERO water ZERO waste ZERO mess ZERO fuss**

Fed up with jumping on bulky boxes to squeeze them in the recycling? Bored of sweeping up powder detergents? Us too, so we made it our mission to make cleaning easy peasy. Our UK made, biodegradable strips are packed in lightweight, plastic-free packaging, making it super easy to fit in your bag and store at home, or take to Glasto so you can handwash your knickers on day 4.

Gentle on sensitive skin, contains no enzymes, bleaching agents, preservatives or phosphates.

store in a  
COOL DRY  
PLACE

### washing machine

Pop the strip directly into the drum of your washing machine alongside clothes and start. \*suitable for all types of machines.

**Regular load (4-5 kg):** 1 strip **Extra filthy load:** 2 strips **Small load (2-2½ kg):** ½ a strip

### hand wash

Our strips dissolve quickly in hot or cold water, perfect for camping, holidays & festivals. **A few items:** ½ a strip **Lots of items:** 1 strip

**DANGER:** Contains sodium dodecyl sulphate. May produce an allergic reaction. Causes serious eye damage. Causes Skin irritation. Keep out of reach of children. Dispose of contents/container in accordance with local/national regulation IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists: Get medical attention. If skin irritation occurs: Get medical attention.

**OTHER INGREDIENTS:** Anionic surfactant (>30%).

**CAREFUL:** If you have a serious skin condition, no effective laundry detergent can be guaranteed suitable for use. Always check the label of your clothes for washing instructions.
