

Description

A lightweight, multipurpose moisturizer.

This glow-boosting blend of vitamin E and essential fatty acids helps even tone, hydrate skin and revitalize lifeless locks without weighing them down.

Harvested from Moroccan Argan tree nuts, this lightweight, fast-absorbing oil has long been considered the gold standard for boosting vibrancy to dull skin and damaged hair with an infusion of nutrients.

How To Use

Face & Body: Apply post-shower for maximum hydration, giving extra TLC to dry elbows and knees.

Hair: Apply 2-4 drops to wet or dry hair to boost shine, smooth frizz and promote healthier-looking strands.

Ingredients

100% pure, organic, cold-pressed Argan Oil.

Full Ingredient List

Argania Spinosa (Argan) Kernel Oil*

*Certified organic
