

**Directions:** Children aged 4-12 years: Take 1 gummy daily with food.  
Children over 12 years: Take 2 gummies daily with food.

Support your child's growth with the essential nutrients Calcium and Vitamin D3.

Designed for children aged 4 years and above, these gummies are a delicious way to support your child's health, growth and development. Calcium and Vitamin D are needed for the normal growth and development of bone in children. Vitamin D contributes to the normal function of the immune system in children. Vitamin D also contributes to the normal absorption and utilisation of Calcium.
