Product

Name	Organic Agave Syrup Light
Description	Our Organic Kitchen Light Agave Syrup is made from 100% organic Mexican blue agave. Blue agave syrup is 25% sweeter than cane sugar which means you can use less of it in your hot/cold drinks and bakes to reduce calorie intake. Our agave syrup is processed and bottled on the plantation in Mexico before being shipped directly to your local retailer to reduce mileage. Agave syrup requires minimal water usage, 35 litres of water per 1kg syrup - in comparison, cane sugar requires 1,500 litres of water per 1kg. Our squeezezy plastic bottle is also made from 100% recycled PET and is BPA free and fully recyclable after use.
