WHAT IS DIRTEA MATCHA?

100% Ceremonial Grade Matcha sourced from the Shizuoka region of Japan, blended with functional mushrooms and adaptogens.

Each green tea leaf is specially selected, carefully hand-picked by Japanese green tea farmers and stone-ground into a fine green tea powder, to ensure potency and a sweet and smooth blend.

Enjoy this mushroom super blend as part of your daily routine.

Each 6g serving contains 2.5g of functional mushrooms!

OUR PURE & POTENT MUSHROOMS
