

Mens Face Cream with salicylic acid and Tazman pepper.

Long-lasting, daily moisturizing face cream for men. An ultra fresh cream texture gives dehydrated skin immediate sensation of freshness. Leaves skin supple and comfortable and does not leave a greasy, shiny look or feel. With cork oak extract that evens out redness, make skin softer, more smooth and healthier

With Tazman pepper extract that soothes oily & irritated skin from shaving.

With salicylic acid that gently exfoliates and increases cell turnover and gives a radiant look

Perfect for regular shavers with sensitive skin due to razor burn
