

**TWEEZERMAN®**

# COMBO CLIPPER SET

**PRECISELY TRIM NAILS:** Uniquely designed finger & toenail clippers feature sharp, strong stainless steel cutting edges

## FEATURES & BENEFITS:

Curved blade follows the natural curve of the fingernail for precision clipping

Straight blades designed to reduce risk of splitting toenails and prevent ingrown nails

Premium stainless steel is long lasting and easy to clean

Sharp cutting edges for precise and even cuts each time

## HOW TO USE:

①

For best results, soak nails to soften before clipping. To open, lift up and rotate lever of clipper.

②

Clip at an angle and make small cuts, starting at corners and working inward.
