Nature's purest treasures®

Ultra-concentrated TIANA Organic Fresh Coconut TLC® with Vitamin C leaves the skin hydrated, revitalised, and protected. Organic Fresh Coconut TLC® is an essential emollient for dry skin to reduce water loss, replenish vital moisture levels, retaining moisture for longer and reducing skin inflammation. An easily absorbed balm possessing natural antibacterial and anti-inflammatory properties to protect your skin.

Concentrated Vitamin C, a powerful antioxidant to improve tone and texture, boost radiance, prevent new lines forming and revive the skin's Collagen production.

A deeply hydrating and nourishing balm naturally softens the look of fine lines and crow's feet leaving your skin supple and silky smooth with a healthy, radiant complexion.
