

## INFO SHEET

# Stain Remover

Our powerful Stain Remover uses a bio-based formula to penetrate and dissolve tough stains, releasing them from the garment fibres. Always patch-test your garment first, and take extra care with delicate materials like silk.

### Benefits

- ✓ Bio-based formula that employs a dual-action approach for maximum effectiveness
- ✓ Specialised bacteria acting as strong enzymes facilitating easy removal.
- ✓ Sophisticated sequestration mechanism like those found in dishwasher detergents. Ensures that stains are lifted and dispersed, leaving fabrics impeccably clean.
- ✓ Free from phosphates and phosphonate, paraben, sulphates, bleach, ammonia optical brightener fragrances, and VOC's
- ✓ Readily biodegradable
- ✓ Never tested on animals & septic tank-safe
- ✓ Made in the UK
- ✓ 1st EU Ecolabel (DEFRA) accredited ecological cleaning manufacturer in the UK

### Application and Directions

For optimal performance, treat stain immediately. Use as a pre-treatment before machine washing. Spray directly on to stained fabric and agitate (you can reuse an old toothbrush). Leave for a few minutes, add to washing machine with the rest of the load using Delphis Eco Non-Bio Laundry Powder.

### Areas of Usage

Suitable for most fabrics. Always patch-test on a small area first, take care with delicate fabrics like silks. **Do not use on leather.**

Fabrics it can be used on:

Linen	Polyester	Wool
Rayon	Spandex	Fleece
Denim	Lace	Cashmere
Cotton	Nylon	Bamboo fibres

**DELPHIS**  
*eco*  
PROFESSIONAL CLEANING

### Technical Data

Figures are typical values and should not be used as specifications

<b>Appearance:</b>	Liquid
<b>Colour:</b>	Amber
<b>Odour:</b>	Characteristic odour
<b>Solubility in water:</b>	Easily Soluble
<b>Viscosity:</b>	Not available
<b>Flash point °C:</b>	Not available
<b>Relative density:</b>	1 – 1.01
<b>pH:</b>	7.4 – 7.8

### Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
