Country of manufacturing	Spain

MARKETING

Your average chicken
May not be known for flight,
But young Meg was so plucky
That she took o one night.

Then turbulence struck,
With Meg high in the sky.
She spun and she tumbled.
"This is no good. Oh my!"

But Meg had a plan
She'd prepared for this test.
With the pull of a ripcord,
Her chute did the rest.
Made with natural ingredients
