

INGREDIENT

Butyrospermum Parkii butter*.

*From organic agriculture. 100% organic.

DESCRIPTION

Our shea butter is an efficient moisturiser for body, hair & face. It is unrefined and undergoes no chemical treatment. Its high concentration of vitamins & fatty acids makes it a great product for smoothing your skin and soothing irritation.

STORY

Toure, the founder, started this journey with our shea butter made by a women's cooperative in West Africa. He continues to introduce healthy cosmetic ingredients while promoting ethical sourcing.
