

RESCUE® CREAM

RESCUE® CREAM is a

non-greasy intensive moisturiser designed to re-hydrate dry, rough, sensitive skin. With regular use it helps protect the skin against environmental influences and other external stress factors

As a well-known indicator of how the body feels inside, our skin is often the first place to show the effects of a demanding life. This can lead to dry, rough, flaky skin.

RESCUE® is the famous combination of flower essences developed by Dr. Bach.

RESCUE® CREAM combines these 5 flower essences along with Dr. Bach's cleansing essence of Crab Apple with intensive moisturisers to help re-hydrate and care for dry, sensitive skin.

For further information on this and other RESCUE® products go to www.rescueremedy.co.uk

EU Importer: Nelsons GmbH, Heegbarg 2, D-22391 Hambourg
