

WE'RE CHANGING THE STORY

Since 1947, Deva-giri has made some of Sri Lanka's finest teas.

When we took it on in 2023, we made it our purpose to make tea a livelihood of dignity and opportunity- so the contentment of the cup is reflected in the lives of the people who make it.

Our gate is open. We're just 25 minutes from Galle, and we'd love to welcome you to Deva-giri to see it all for yourself.
