1st HARVEST CEREMONIAL GRADE JAPANESE UJI KYOTO MATCHA – HIGH GRADE

Our Japanese matcha powder is sourced from Uji Kyoto and crafted by tea makers with a heritage of 150 years of crafting matcha.

This is a 1st Harvest Ceremonial Grade (Spring harvest) of a very high quality and is perfect for making matcha or matcha lattes.

It is a pure matcha green tea without any added sugar, added milk powder, fillers, preservatives or colours.

If you are looking for a high quality premium matcha with authenticity and heritage, this is the matcha for you. Packed in a recyclable paper tube, this Japanese matcha is eco-friendly and plastic free. It makes for the perfect thoughtful gift.

Ingredients:

100% Japanese matcha green tea powder

Allergens:

May contain traces of tree nuts, peanuts, soya, sesame, eggs, milk, mustard, celery, gluten, sulphites

Storage:

Store in a cool dry place away from light in an air tight container

How to Prepare:

Sift $\frac{1}{2}$ - 1 tsp of this blend in a matcha bowl

Add 80ml of water at 80 degrees Celsius and whisk. Enjoy as is or:

For an iced latte: In a glass, add ice, milk and pour over whisked matcha.

For a hot latte: In a cup, add hot milk, whisked matcha and sweetener if desired. Mix.

(The water and milk can be adjusted depending on how creamy you like it)
