Product Format:	Cream deodorant
Product Dimensions:	3cm x 3cm x 1.4cm
Key Features:	• All natural ingredients • All day odour protection • Formulated for sensitive skin • Unscented • Plastic-free packaging • Ideal travel / sample size • The Vegan Trademark • Cruelty Free International

Description

Gentle Deodorant Cream Coconut + Shea Mini is ideal for first-time buyers, gifting, travel and point of sale add-ons, especially for customers looking for a sensitive skin option. The soft coconut aroma and natural comfort of shea butter create a gentle everyday scent with broad appeal.

Formulated without sodium bicarbonate, this bicarb free cream uses magnesium oxide and absorbent clay to neutralise odour naturally while being kinder to delicate underarm skin. It provides reliable all-day freshness without blocking pores and works from first use with no detox period required.

The rich, creamy texture is applied by hand, allowing it to rub in fully for better coverage and helping to prevent white marks on clothing.

Key selling points include bicarb free formulation for sensitive skin, all-day odour protection, aluminium salt free ingredients, no white marks, vegan and cruelty-free credentials, plastic-free packaging and UK manufacturing.

The 10g metal tin typically lasts around 10 days with daily use, making it ideal for travel, gym bags and trial purchases.

Directions

Ensure hands are clean and dry. Warm a small amount between fingertips and apply to each underarm, ensuring to rub in fully.

Ingredients

Magnesium Oxide, Olea Europaea Fruit Oil (Olive Oil), Maranta Arundinacea Root Powder (Arrowroot Powder), Cocos Nucifera Oil (Coconut Oil), Butyrospermum Parkii Butter (Shea Butter), Kaolin (Clay)
