

125ml Magnesium spray / label size 40 x 140mm

 <p>5 060018 511580 ></p>	<p>KIKI's Magnesium Oil is derived from the Zechstein seabed in Europe which dried up 250 million years ago. It is approximately 1600 to 2000 metres under the earth's surface and therefore has retained all the minerals in different layers, untainted by environmental contaminants. Our Magnesium Oil is a saturated solution of magnesium chloride that is applied directly to the skin, where it is reabsorbed and transported to the cells. It can be used on any area of the body to increase the body's overall magnesium levels.</p> <p>Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required.</p> <p>Suitable for vegetarians and vegans. Naturally free from gluten and wheat.</p> <p>KIKI Ltd. Apply 5 to 20 sprays direct to your skin (or on area of concern) and lightly massage. A tingling sensation is natural upon first application and is a sign of magnesium deficiency; this will decrease as your magnesium levels increase.</p> <p>Ingredients: Purified water, genuine Zechstein Inside® magnesium chloride (31% magnesium chloride) and other naturally occurring trace minerals. 10 sprays equate to a dosage of 212mg of pure magnesium (57% of RI*)</p> <p>*Recommended Intake</p>
