

YES WB 50/150ml Ingredients & Warnings

EN YES* products are certified organic, designed to be side-effect free and are made without parabens, glycerine, hormones, gluten or known skin irritants. YES* WB is a water-based, discreet, natural plant-based gel which lubricates and hydrates intimate tissues to relieve vaginal dryness and promote positive vaginal health.

- enhances pleasure, comfort and sensation
- iso to hypotonic gel matched to vaginal pH (pH4) to speed hydration
- no fragrance, colour, taste, stickiness or residue
- compatible with most condoms and toys

Intended use: A pH matched water-based lubricant intended to hydrate and lubricate, to enhance and ease the comfort of intimate sexual activity and supplement the body's natural lubrication.

Caution: This device is not a contraceptive or a spermicide.

Warning: If the seal on the tube enclosed is damaged or opened DO NOT use, return to place of purchase. If irritation or discomfort occurs, discontinue use. If symptoms persist, seek medical advice. Not compatible with polyurethane condoms.
