

Daily Mineral Sunscreen Face&Neck SPF50

Daily Mineral Sunscreen SPF50

Highly effective daily mineral protection, designed to complement an active and mindful lifestyle.

It provides broad-spectrum UVB and UVA protection thanks to non-nano zinc oxide, the safest and most skin-friendly mineral filter. A clean and effective formula created to protect even the most sensitive skin.

Made with a **100% naturally derived formula**, COSMOS Natural certified, vegan, and water-free, featuring carefully selected organic ingredients. Skin microbiome-friendly, its antioxidant action helps combat free radicals and prevent premature skin aging.

Enriched with licorice root, known for its soothing, antioxidant, and tone-evening properties, it helps reduce redness and strengthen the skin barrier against external aggressors.

Specially formulated for the face and neck, its lightweight texture with a transparent finish melts into the skin without leaving a white cast, making it an ideal sunscreen for daily use.

INGREDIENTS AND PROPERTIES

Mineral sunscreen with a soothing effect

- Zinc oxide (non-nano): broad-spectrum mineral sunscreen, safe for sensitive skin.
- Calendula flower extract: soothes and softens redness.
- Licorice root extract (Glycyrrhiza glabra): gentle anti-inflammatory effect with brightening properties.

Hydration and Comfort for the Skin

- Coconut, sweet almond, and sunflower oils (Cocos nucifera, Prunus amygdalus dulcis, Helianthus annuus): deeply nourish and soften the skin.
- Aloe vera leaf juice powder: hydrates, soothes, and refreshes.
- Squalene and beta-sitosterol: strengthen the skin barrier and help prevent moisture loss.

Antioxidant Defense and Radiance

- Vitamins C and E (Ascorbyl Glucoside, Tocopherol): protect against oxidative stress and enhance skin radiance.
- Oryzanol: a natural antioxidant derived from rice that helps combat free radicals.
- Lotus flower extract (Nelumbo nucifera): rich in antioxidants, promotes a luminous complexion.

Soft and Lightweight Finish

- Mica: provides a subtle illuminating effect.
- Rice starch and hydrated silica: absorb excess oil and leave a velvety, smooth finish.
